Academic Year of Entrance(入學年):2025

Program:Four-year B.D. for Day Division(日間部四年制)

Regulations

1. The total number of credits required for graduation is 128, including 28 university-required credits, 9 college-required credits, 47 department-required credits, and 44 professional elective credits.
2. Students in their first to third years may take 16–25 credits per semester, while fourth-year students may take 9–25 credits. Detailed regulations are governed by the University Academic Regulations.
3. In accordance with the University's implementation guidelines for Chinese proficiency, English proficiency, information technology competency, and physical fitness, students must pass all required assessments to be eligible for graduation.
4. Students must meet the standards specified in the Department's "Implementation Guidelines for Professional Competency Assessment" to be eligible for graduation. Certifications acquired through passing the University's "Implementation Guidelines for Information Competency Assessment" shall also be recognized by the Department as certifications in basic workplace information application competency.
5. The curriculum comprises three modules: the Investment and Wealth Management Module, the Green Finance Module, and the FinTech Application Module. Detailed course requirements are governed by the curriculum guidelines and regulations of each respective module.
6. Practical Project (I) and (II) are organized according to the department's course modules and are mandatory for students in every module.
7. Students may take elective courses not offered by this department in other departments. Upon departmental review and approval, a maximum of 12 credits from passed courses may be recognized as departmental professional electives; credits from cross-disciplinary programs may be counted separately. Students may also take courses not offered by this department at other institutions, limited to one subject. Credits earned externally must be combined with the elective credit limit for other departments. Inter-institutional studies shall be handled in accordance with the University's Inter-Institutional Course Selection Implementation Guidelines.
8. Students participating in the Reserve Officers' Training Corps (ROTC) of the Ministry of National Defense who have completed winter and summer training and obtained certification may apply for credit waivers for the department's internship courses. Students applying for a waiver of a full-semester internship must still complete registration during that semester and enroll in at least 3 credits of other coursework.
9. For the courses Business and Management Professional Internship, and Financial Professional Internship (I), (II), (III), and (IV), each credit is limited to a maximum of 80 internship hours.
